Intervention Decision Record

Companion to The Estimator Keeps Asking for the Latest Drawing

Choose one current case. Record the evidence, the people responsible, and the next decision.

1. **Observed recurring event and outcome**

2. **Evidence and working explanation**

3. **Alternative causes still plausible**

4. **Options: remove / clarify / redesign / integrate / automate / retain**

5. **Bounded intervention, owner, and failure route**

6. **Expected change and evidence that would challenge it**
