FIELDNOTES WORKSHEET / COMMERCIAL MEASUREMENT

Quote Cost Review

Companion to What Did It Cost You to Put That Number on the Page?

Choose one current case. Record the evidence, the people responsible, and the next decision.

1. **Quote cohort, case count, and period**

2. **Handling, clarification, review, and rework time**

3. **Rate basis and explicitly modeled costs**

4. **Before/after comparability and other changes**

5. **Observed capacity, cash, quality, or revenue effect**

6. **Action justified by the evidence**
