First Change Decision Record

Companion to The First Change Has to Prove Something

Pick one recurring loss. Compare two changes and write down what would justify the next investment.

1. **Recurring loss and a recent example**

2. **Earliest point someone could have prevented it**

3. **Two plausible explanations and the evidence for each**

4. **First test, decision owner, and test window**

5. **Expected result and safeguard for customers or staff**

6. **Condition to expand, change, or stop the test**
