Decision and Review Matrix

Companion to The Judgment You Need to Keep

Choose a normal case and an exception. Record what a tool may prepare and who has authority to act.

1. **Action requested and consequence of a wrong decision**

2. **Evidence required and source of truth**

3. **Work the tool may prepare or carry out**

4. **Person authorized to review or make the commitment**

5. **Representative exception and recovery step**

6. **Observed quality, review time, and next decision**
