FIELDNOTES WORKSHEET / OPERATIONAL MEASUREMENT

Workflow Baseline

Companion to Your Team Saved 20 Minutes. The Customer Waited Another Day.

Choose one current case. Record the evidence, the people responsible, and the next decision.

1. **Unit of work, cohort, and observation period**

2. **Start and finish events**

3. **Active time, waiting, clarification, and correction**

4. **Quality and experience checks**

5. **Other changes affecting the comparison**

6. **Observed result, uncertainty, and next decision**
