Sales Target Review

Companion to Sales Hit Its Target. The Work Got Worse.

Compare similar signed jobs near and away from the target date. Use the agreement and delivery record to check what changed.

1. **Sales measure and reporting or incentive cutoff**

2. **Jobs being compared and relevant differences**

3. **Scope, date, and margin assumptions at signing**

4. **First correction and who had authority to act**

5. **Consequence for delivery and the customer**

6. **Change to test and the second measure to watch**
