Buyer Decision Map

Companion to Would Your Website Get You Invited to Bid?

Give an outside reader a real buyer brief and the project link your team usually sends. Ask them to show what supports their decision.

1. **Buyer brief and the hardest condition**

2. **Project page or link the reader opened**

3. **Recommendation the reader would send to a colleague**

4. **Project fact that supports the recommendation**

5. **What they had to guess or ask someone to explain**

6. **First change, owner, and result of the next test**
