NATA DECISION RECORDS

Approval Record

An approval is useful only when its object, version, authority, and consequence are clear.

Use one real, appropriately redacted case. Record evidence and open questions. This is a working aid, not a validated assessment or a contractual form.

01 / Decision requested and scope of approval

02 / Item, sample, schedule, or drawing version

03 / Authorized decision maker

04 / Confirmation source and date

05 / Next permitted action and owner

06 / Superseded decision and change explanation

NATA Approval Record / v2.0
Keep private records in approved systems. Review the decision when its assumptions change.
