NATA WORK MAPS

Customer Handoff Map

A handoff succeeds when the next person can continue with the relevant context.

Use one real, appropriately redacted case. Record evidence and open questions. This is a working aid, not a validated assessment or a contractual form.

01 / Customer objective and next task

02 / Agreed scope and governing version

03 / Promises and their conditions

04 / Open decisions and responsible people

05 / Record locations and transfer owner

06 / Receiver acceptance and unresolved gaps

NATA Customer Handoff Map / v2.0
Keep private records in approved systems. Review the decision when its assumptions change.
